NONPROFIT ORGANIZATION FOR YOUNG WOMEN

## ABOUT US

The Legacy Foundation, Inc., was launched in July 2020 by Founder and Executive Director LaCrystal Davis. The Legacy Foundation, is a 501(c)(3) organization that is designed to provide support and services to college-bound young women who are seniors in high school and mentor them until they reach the age of 25. The Legacy Foundation works with young women to assist with removing barriers that will prevent them from being able to enroll & graduate college and become young professionals. ## MISSION AND VISION

The Legacy Foundation values higher education as a means to achieve career and financial success. Our mission is to provide programs that will develop college, career, social, and financial readiness in the lives of the young women that we serve. Our vision is to empower our young women in building legacies of generational wealth.

## PROGRAMS

Our services are rendered through two outstanding programs. The *Star Program* serves high school senior young women (*Stars*) and The *Gold Program* serves college young women (*Golds*).

## LANIYA'S TESTIMONY

The Legacy Foundation was a tremendous help in sculpting my senior year. At the beginning of my senior year, I was not prepared to navigate to navigate the college application/enrollment process. The Legacy Foundation taught me through workshops, college guest speakers, and many one-on-one sessions how to be successful and competitive. Ms. Davis has been dedicated to her Stars by helping us create individual progress timelines and educating us on how to complete each step. The Legacy Foundation has been an amazing experience!

## HANNAH AND KAREN'S TESTIMONIES

The Legacy Foundation has helped me tremendously from FAFSA, to applying to college, to answering my questions that I had in a timely manner.

-Hannah (NC A&T State University's Class of 2024)

The Legacy Foundation has been a huge blessing in this whole process as far as getting prepared for college, applying for scholarships and completing the FAFSA. If we could complete the task on our own, The Legacy Foundation was available to assist. Ms. Davis has made our process a breeze.

-Karen (Hannah's mom)
